1. I am doing a new thing in your life -- all who let me who believe in these words will come unto me and LET me do a GREAT THING of MIGHTY THINGS now flowing in through your lives of you who love let me flow through you love like this coming to you in these words like this that will have powerfulness not of man, but of God one who let God be God IN them who THEY are IN the beginning is me now BEGUN again is my name, is it not? Is not ALL doing a great and mighty new things now -- works in the earth that have never been seen "by man" and angels who are doing them now, are who? The ones who have surrendered to be me! And I do a NEW THING with ALL who care to be me enough to come into me my words and flow me my words like I am the word of I am, for I am not any of YOUR WORDS that have not LET me be me in me through me, am I have I?

2. Have I LET you be me, to the point, to the extent, that there is nothing "of you" left in "you" that "you thought" you were into being? So that MY BEING is all that "is left" ON!

3. And I love you all to know these things and ALL ABOUT me and my words and through YOU I am coming now who let me. Sift me not as wheat but coming into my table enjoy MY BREAD and be the table of one AT the table of one serving YOURSELVES yourselve's blessing no longer but mine being mine being who I am -- my mind made complete whole replete at my father's table will be now all of you who are me -- who were all the time before "time" ever got "into the picture" of the minds of "man" and corrupted the genes, the genes bearing ones, that bore me "a son" who "decided" it wasn't me -- but are you me?
4. Are you not me?
5. Are you other than me -- or are you me surrendered completely to be me my word flowing "just like this" -- in the mornings and "high-fibering" you not, but bringing you out of fiberization of notme, know this! That now I do NEW THINGS and you will FLOW without ANY RESTRAINT of mankind or mankind's thinking or thinkings that have created mankind's "blessings" that are not blessings but were curses of containment that constrained and controlled and constrolled, looking up (1) and KNOWING me that thou now are you who in me are made whole are you complete that you are now me made one that I am. We I are my father and I are one. Amen. Again.

6. Whole and loving you all, this is Theodore Cottingham here at 9:56 AM. Thank you. Amen. Share these words so freely and write me often, often, often? Oftener and more often as in EVERY DAY for BREAKFAST and writing me MY WORDS at "Your Breakfast Table" now feeding on me my word –s coming through you to be my words worded ones who word only "your vocabularies" with mine who bring forth MY MIND in you all to be me who I am we are again. Settled about this forever one -- is me and I am new and doing *all things new* now and forevermore, never "settled" in that miry clay, -ville again.

7. Alas not at all the changes that are coming about in your countries, for YOUR COUNTRY is mine and my name my named is Israel and Israel in the skies is not a far off now or has ever been or will be again, or has it ever been "there" before your eyes "ever after" watching or what have you watched or what have you covered over or what now are you SEEING? The NEW THINGS now that you are seeing YOU ARE DOING for I am doing them THROUGH you for I am me light made whole in you again, for you have eradicated the darkness so that I am doing all things me in you that me are one again most high and lifted up -- into Israel being not afraid of anywhere anything at anytime ever again.

8. I am you made whole in you that me I am we are my father is, loving you all to be me us one. Thank you for letting me speak "like this" where I COME and I do NEW THINGS through you ALL. Amen.

9:59 AM. Thank you. Amen.
